

Sagrantino Experience Club

For those of you that have had the pleasure of tasting Sagrantino here at Vinosofia your palate will never forget the bold taste of this indigenous grape that is hard to find outside of our unique micro climate.

Sagrantino Experience Club is a fantastic opportunity to get to know the varietal and to pour something out of the ordinary for yourself and friends. This club offers the complete tasting of the most coveted red wines from Umbria, including Montefalco Rosso, Montefalco Sagrantino and Montefalco Sagrantino Passito.

Sagrantino is a wine for cellaring for which we do this shipment once a year, in the spring (March-April) so after proper cellaring will be ready for pouring in the autumn.
